- Breaktime 15mins instead of 20mins
- Lunchtime 40mins instead of 50mins
- Extra 5 minutes of lesson time
- School finishes at 3pm from 3.15pm

Main Reasons for Changes:

- Reduce some of the 'slack time' at end of social times to allow for more effective social sessions – this is where boredom can creep in and at times behaviour issues may occur.
- Allows all lessons to be 1 hour long to ensure consistency.
- Allows more time after school for staff training with other schools.
- Allows for more focused extra-curricular activities, especially in winter.
- Allows better access to other schools for extra-curricular sporting fixtures.
- Slightly reduces period of children travelling home in dark.

Process:

- Academy Council have agreed the proposal
- Senior Leadership have agreed the proposal
- Staff have agreed the proposal
- Bus companies can alter bus times
