19<sup>th</sup> July 2019

Dear Parents/Carers,

It is hard to believe that we are already at the end of the school year. Thank you to all for your support throughout the year.

I would encourage all parents/carers to continually refer to our website for information and letters home which we don't always send hard copies. We're doing our bit for the environment.

It's been an eventful year and a busy one. Our conversion to SET has been a successful one and we continue to raise our standards right across the school in all that we do. 2019-20 promises to be an exciting one for us in our journey and thank you in advance for your anticipated support.

Three points I wish to mention.

Firstly, we say a **fond farewell to some staff** who were leaving us this year through a combination of having been temporary with us or others who have secured promotions and take on other challenges. Best wishes to them, all and we welcome our new staff in September. I will communicate with new staff names to parents in September.

Secondly, we have two successful meetings of the **new Parents' Forum**. A group of parents that meet to give school feedback from a parents' perspective and will shape what we do. More news on this in September and again promises to help us ensure we are meeting your expectations.

Thirdly, as we continue to raise standards and have done so successfully this last term, we intend to have a 100% success rate for presentation from September. Students not in full **correct school uniform** will not take part on any aspect of school lessons and will either have to go home to resolve or parents will have to come in.

We are unable to give our spare uniform except for an occasional emergency so could ask that parents ensure children are dressed right for school and have basic equipment every day.

**Of special note, please ensure there are no false eyelashes/nails, no make-up and of course footwear is in line with our standards, no trainers allowed. We allow plain black leather footwear. If in doubt contact school.**

Ties will no longer be loaned but parents will be able to pay for them online via Scopay and children can collect them at the office.

More details will be available on September about a lot of our exciting initiatives next year.

Please have a restful and enjoyable summer break.

Yours sincerely,

Mr. B. Duffy  
Headteacher
